

The Balinese drawing from the collection of VAN DER TUUK (Cod. 3390, drawing 10 of the 'buta ènggèr') confirms the custom of wearing small bells on the penis.

Fig. 5 Buta ènggèr (cf. Cod. 3390, Library of the University of Leiden; drawing 10).

Presently this collection belongs to the Library of the University of Leiden, by whose kind permission the reproduction of drawing 10 was allowed (vide illustration No. 5). It shows the demon 'buta ènggèr' with erected penis at the moment of ejaculation,
