

Fourth Addendum to "The Matrilineal Peoples of Eastern Tanzania"

Thomas O. Beidelman

Over the past twenty years, I have continued to publish revisions to my original bibliography of the matrilineal peoples of Eastern Tanzania ("The Matrilineal Peoples of Eastern Tanzania", London: IAI, 1967; pp. 72-82), in *Africa* 39, 1969, 44, 1974, and in *Anthropos* 76, 1981. The present note constitutes my forth and final contribution to this. I leave further work on this task to other scholars.
