

Heart of Darkness

The heart of darkness awaits. It's the unknown place that exists in the wilderness, among the people, inside your mind. As a researcher, you've chosen to venture into this shadowy world to extract its truths. How deep are you willing to go?

The expedition is difficult. You need the best tools.

Sociological Abstracts (SA) and Social Planning/Policy & Development Abstracts (SOPODA) outfit you for this important journey.

Drawing from more than 2,400 journals published in 35 countries, SA and SOPODA present abstracts of articles, books and conference papers. Bibliographic entries will guide you to relevant dissertations and important book and other media reviews. All are expertly classified and indexed for easy access.

SA and SOPODA are available in a variety of media: print, online, the sociofile CD-ROM, and magnetic tape.

Explore the unknown with confidence by using the most timely information directly related to your areas of interest and expertise.

SAI's Web site, located at www.socabs.org, contains searchable subsets, hot topics, the *Note Us* newsletter, and links to other relevant sites and resources.
