(b.) THE NORTH:—In this Division, the section we have called the North East, embracing the New England and the Middle Atlantic States, with the addition of Maryland, Delaware, and the District of Columbia, has 78.04% of the Jewish population of the Division, constituting 8.41% of the total (in the three Northern New England States, the Jews are much less densely settled than in the rest of this section). The East North Central (Ohio, Michigan, Wisconsin, Illinois, and Indiana) has 17.60% of the Jews of the North, forming not quite three percent of the total population; while the West North Central section (Minnesota, Iowa, Missouri, North Dakota, South Dakota, Nebraska, and Kansas) has only 4.36% of the Jews of the Division, constituting a little over one percent of the total.

<sup>1</sup>Includes Maryland, Delaware and District of Columbia.

<sup>2</sup>Does not include Maryland, Delaware and District of Columbia.
